**MR. POTATO GROWER—YOUR UNCLE SAMUEL HAS A NEW AND VALUABLE BULLETIN ON POTATOES FOR YOU FREE OF CHARGE**

You, Mr. Potato Grower. Your Uncle Samuel, that is, the great government of the United States of America, through the Office of Markets and Rural Organization of the United States Department of Agriculture, has written and had printed in the government printing office at Washington, D. C., a valuable Farmers' Bulletin entitled, "Commercial Handling, Grading, and Marketing of Potatoes." It is new having been issued this month, and you may have it absolutely free of charge by writing the Office of Markets and Rural Organization, Washington, D. C., and asking for Farmers' Bulletin 753. This bulletin consists of 40 pages and is illustrated.

It is a valuable work and every grower and especially commercial growers and shippers of the United States who are interested in the most desirable methods used in handling and marketing the crop should get busy and write for the bulletin at once. You can't buy it but your Uncle Sam will give it to you. You pay for it and are entitled to its benefits.—If you don't get this bulletin, Mr. Potato Grower, you and you only are to blame.

**NEW USES AND LARGER MARKETS FOR POTATOES**

It is likely that within the next year or so the potato will find new uses and new commercial demands. Even to-day there is a product on the market known as potato flour. The uses which may be found for this flour are sure to be many and varied. The familiar potato chips, which only a few short years ago were sold by the dozen packages, are now sold throughout the country by the thousand packages. The potato offers limitless possibilities for new handling and new uses, for it is on a par with bread as a staple food, and its food value in starch is becoming better known every day. It is easily digested, nourishing and satisfying. It is safe to predict that it will soon be used in larger quantities and in new ways that the public in general knows nothing of now.

**INSPECTORS WERE WELL PLEASED**

Lester & Co. Managed Successful War Horse Inspection Sale on Tuesday, May 29th

The war horse inspection held at the stock yards in Alliance Tuesday, May 29, was the most successful one held in the city since this class of sales started in the west. Both the inspectors who composed the inspection board and the men who had the horses for sale were pleased with results.

Reference to the advertisement of the next sale, which is to be held on June 12, will give the prices paid for horses for use of the French army. If you have horses to sell you are urged to have them here for the next inspection. It promises to be equal to the one held Tuesday.

**COLEMAN WAS PROMOTED**

M. E. Coleman, who has held the responsible position of night chief dispatcher for the Burlington at Alliance for several years, left Tuesday noon for Casper, Wyo., where he assumes the position of chief dispatcher on the Casper division of this railroad. Mrs. Coleman and son Glen expect to join him at Casper after taking a pleasure trip to Omaha and Deadwood. Casper will be their permanent home.

George Eckhardt is acting as night chief dispatcher in a temporary capacity. Mr. Coleman has many friends on the Alliance division who regret to see him and his family leave, but who are gratified with his deserved promotion.

**ST. AGNES ACADEMY GRADUATION MONDAY**

Bishop Duffy of Grand Island in Attendance—Excellent Program Given—Degrees to Five

The ninth annual commencement exercises of St. Agnes academy took place at the Phelan opera house Monday evening, May 28, and consisted of the following:
